Redditch Double Glazing are a small independent family run double glazing installation business that are committed to providing the absolute best customer service, great products and great prices. We have over 35 years' experience installing and repairing double glazing, suppling and fitting porches, conservatories and orangeries, as well as composite doors and all types of double glazing. Our sales process is completely gimmick and pressure free: we treat every one of our customers with the respect they deserve, exactly like we would like to be treated ourselves.

~~Redditch Double Glazing are FENSA registered, and provide all double glazing~~

repairs on all windows and doors, and supply and install double glazed windows, composite and uPVC doors, patio doors, bifold doors and conservatories in Redditch and all of the surrounding areas. We provide free no obligation quotes, never ask for money up front, you only pay when completely satisfied, and all our work and products are fully guaranteed.

Please feel free to call 01902 925954 for any advice and information, or to arrange an appointment for a surveyor to call round, discuss your requirements, offer advice and leave you with a free quotation. There is absolutely no pressure selling, and we

never inflate prices just to offer false discounts. Website:
